Subject: Meeting with NIS JFK Task Force
I have arranged to meet with the people who were on the "JFK Task Force" that searched ONI (and possibly other) Navy records on LHO. The meeting is scheduled for Tuesday, March 4, at 10 AM at the Washington Navy Yard. Chris and I will be going, and intend to pump them for information on where ONI, etc. records are stored and what their state is; Doug is also coming along to ask relevant questions about original condition, etc. of LHO ONI file. (I will review correspondence from Peter Dale Scott beforehand to see if they can help us with any of the issues he raised as well.)
