Subject: CIA-01 update

Body: According to Barry, the documents I selected have returned from the directorate IMO's. Apparently there are some documents the directorate IMO's do not want to declassify and do not want declared assassination records. At Barry 's suggestion, I am planning to spend the morning of the 17th, before the DA briefing, looking over the material. If you have a moment later this week, could we discuss this material?
