**Subject:** Bethesda/AFIP archives  
Reference this project in J-Track: I think we're done with this. Doug and I went to AFIP and met with archivist Mike Rhode and looked through his records on 9/12/96, and Doug and Ron held a compliance meeting with him on 3/11. NNMC at Bethesda has given us repeated assurances that it no longer holds any relevant records, and Doug and Ron attended a compliance meeting there on 2/3/97. I am not aware of any issues still open with either of these institutions.
