Subject: Barry-time
Barry would like us to hold the McVickar letter until he can show it to John Pereira. He hopes to see Pereira this afternoon but should definitely have an answer for us tomorrow. He would also like us to hold CIA-17 until he confirms that the names can be computer searched and that the information is listed by name and not by other identifiers. His estimate for an answer is Friday or Monday. I told him we could probably wait a day or two but we would not wait forever.
