Subject: Conversation with Stephanie Fawcett
While I was at the JFK Library, Stephanie Fawcett updated on me of two matters:First, she showed me the test CD containing a roll of microfilmed documents from the DOJ Criminal Division files. She had put the documents on CD at Maxwell Air Force Base in Montgomery, where they have the sophisticated equipment. Fawcett wants to get the rest of the microfilm on CD, but has not received the okay from the Archives yet.Second, Stephanie is working on the two audiotapes relevant to Vietnam that you discussed with Megan. She continues to work on them and has made a few redactions. They will be in touch when they are done with these two tapes.
