Subject: I spoke with Chip Selby
on Friday afternoon (410) 792--2899. I told him that the Lifton copy of the Z-film is not at the Archives yet but will be soon, as soon as there is a Deed of Gift. I faxed him a copy of Lifton's testimony to the Board during the hearing in LA.He also asked if the Board has dealt/will deal with records regarding an investigation (by Helms per the request of Johnson in March 1964) mentioned in "The Crisis Years" by Michael Beschloss. I told him I would call him if I find anything out about this.thanks!
