**Subject:** Gilberto Policarpo Lopez  
I reviewed the CIA files in the the Sequestered Collection on subject and discovered nothing new of interest that we didn't already know about. I did see a barely legible copy of the 27 November Cubana Airlines flight manifest which listed Policarpo Lopez as the only passenger on that flight. I believe this is already open, but I will verify. It does seem odd however, that the CIA didn't take more of an interest in following up on this case and left it in the hands of the FBI.
