**Subject:** Follow-up to Our Telephone Conversation this Morning  
Jeremy: I believe the documents that Mary from the JFK Library made reference to are the ones that I described under Number 1, paragraph 2, of my 7/23/97 memo. As I understand it, these documents were reviewed under the old executive order (and determined to be exempt), but never reviewed under the JFK Act. I would love to be able to talk to you on the phone regarding what many of these documents involve because there is a common theme and you would know right away whether or not the Board has dealt with the issue and what they have decided. Perhaps we could try a cryptic conversation on the phone today to discuss them.Tom
