RE: ARRB Additional Information Request No. CIA-4

Dear John:

To prepare for our July 17-18 Board Meeting, information is needed on the names, pseudonyms, and crypts which appear on the attached list. As in prior requests, information for names requested should include what individuals were doing for the CIA in 1963-64, and whether these are true names or pseudonyms. Of special importance is the current status of these individuals: active, retired, or deceased. For crypts, an indication as to whether that term is presently active or inactive, along with a short description is needed. To help with your search, we have included the document numbers where these terms have been identified.

Be advised that this request does not cancel earlier ones and that information not supplied to those is still sought for the upcoming Board Meeting.

Please contact me or Jeremy Gunn for any clarification regarding these requests.
Thank you for your continued cooperation.

Sincerely yours,

David G. Marwell
Executive Director
