

MEMORANDUM

June 14, 1996

To: Steve Tilley
cc: Tom Samoluk

From: Robert Skwirot, ARRB

Subject: Documents from March 19, 1996 Board Meeting

As we discussed on Wednesday, we are sending you two documents, 104-10004-10124 and 104-10004-10180, which were acted upon by the Review Board on March 19 but were not included with the other documents from that meeting when they were sent to you last week. You assured me that it would be no problem for you to file these with the other documents from that meeting. These documents will complete the list of CIA documents acted upon by the Review Board at that meeting.

As always, your help is greatly appreciated.
