Mr. Steve Tilley
Chief
John F. Kennedy Assassination Collection
National Archives and Records Administration
8601 Adelphi Road
College Park, MD 20740-6001

Dear Mr. Tilley,

The Assassination Records Review Board has temporarily located one of its computers to the JFK Collection site at the Archives II facility in College Park, Maryland, for the purpose of assigning RIF forms to Department of the Army documents relating to Cuba.

The serial and identification numbers of the equipment we have relocated there are as follows:

CPU Unit:
Monitor:
Keyboard:
Mouse:

Please note this for the record and in your inventory. Thank you for your attention.

Sincerely,

David G. Marwell
Executive Director
