Subject: FBI See Reference File on Joseph W. Shimon

Volume 2 of Joseph W. Shimon's See Reference contains a large document withheld almost entirely for declassification reasons. Among these 85 pages Shimon's name appears on only pages. Shimon, the captain of the Washington, DC, Police Department,

The nature of the information and the length of the document will make negotiation of the file time consuming. The information meets the requirements for postponement, under clause , and also meets the Not Believed Relevant standard. I propose that the pages where Shimon's name appears be negotiated fully and the remaining pages be declared Not Believed Relevant
