

MEMORANDUM

To: Laura Denk

From: Carrie Fletcher

Subject: Additional Request Number 23, (New Orleans Informant Files).

The Assassination Records Review Board requested Headquarters and field office files for two New Orleans informants that appear in file 97-74 document 69 and file 89-69 document 1515. Field office informant files for the first informant who appears in New Orleans file 97-74-69 (Records Identifying Number 124-10184-10298) were destroyed in November and December 1977.

I reviewed several documents on the second informant who appears in New Orleans file 89-69-1515 (Records Identifying Number 124-10241-10141). These documents occurred in a compiled informant file. All eleven documents pertaining to this informant should be processed as assassination documents.
