## List of all ARRB Lotus Notes database files as of 8-16-98

This list will be reviewed and database files that meet the agencies record keeping standards will be moved to longterm CD-ROM storage. Many of the database files listed are example data that comes with the Lotus Notes product. Database files that have individual names contain email that is also stored in the Record file

1	Review Track Arc	Main archive of records processed by the board	
2	HSCA & Church Database of disks from HSCA and Church		
3	FBI ALL June 6 FBI D		
. 4	Consent	Archive of record the board assisted in getting released by	
agenies	D 1 16.		
5		record keeping email database	
6	CIA as of 8-2-98	CIA Disks	
7	Fast Track Sep 9	Document Tracking production database, documents	
moved to		archive database as they were processed	
8	Eileen Sullivan	Personal Email database	
9	Review Track Jun	Document Tracking production database, documents	
moved to		archive database as they were processed.	
	CIA Sequestered	Early CIA disks database before numbers were assigned	
	David Marwell	Personal Email database (Agency director)	
	Jeremy Gunn	Personal Email database (Agency director)	
13	Tom Samoluk	Personal Email database	
	Non-Record	Email database for non-record email. Reviewed by	
supervisor.			
	Duplicates: May		
16	Dave Montague Personal Email database		
17	Douglas Horne Person		
	Laura Denk	Personal Email database (Agency director)	
	Kevin Tiernan	Personal Email database	
		Cathy Rodriguez Personal Email database	
	Bob Skwirot	Personal Email database	
	FBI Not Open - JFBI di		
_	Referred	Orginal database of all agency referred documents	
	WC as of 1-14-98	Warren Commission disks	
	Agency Contacts	Database of Agency contacts	
	Military Rifs 11	Military disks	
27	Joan Zimmerman	Personal Email database	
28	Notes Log (NOTES	Lotus notes internal database NOT AGENCY RELATED	
29	ARRB Library	Database of books in ARRB library
