

MEMORANDUM

July 14, 1995

BY FACSIMILE

To: Melanie Pustay

From: Chet Rhodes

Subject: DOJ 117 Disks

As we discussed on the phone we need to clarify the status of the documents indentified on the NARA disks you provided the ARRB. We need for you to confirm for us in writing the status of the field RC10 on all of the documents. This field is normally set to T for true and indicates that the document is open in full. On the disks the field has been set to a blank condition.

Further we have identfied from the disks that the following documents are not open in full, if you could check the status of these documents and also update us in writing.

If you have any questions please contact me at 202-724-0088. Thank you for your assistance.
