Dr. Robert G. Grossman
Chairman, Department of Neurosurgery
Baylor University Medical School
6560 Fannin Street, Suite 944
Houston, Texas 77030

Dear Dr. Grossman:

I am writing to thank you for meeting with Doug Horne and me, and for submitting to an ARRB staff interview, so that we could record your recollections of your involvement in the emergency treatment of President Kennedy at Parkland Hospital in Dallas on November 22, 1963. Your cooperation has assisted the Assassination Records Review Board in completing the record of the events at Parkland Hospital on the day of the President's death.

As promised, included with this letter is an audiotape copy of your interview with us on Friday, March 21, 1997, as well as photocopies of the drawings you executed on that date.

Thank you, again, for your cooperation.

Sincerely,

T. Jeremy Gunn
General Counsel
