Dear xyz:

“Boilerplate” to be added by Jeremy.

The Assassination Records Review Board is seeking all records related to the employment and tax history of Lee Harvey Oswald, President Kennedy’s accused assassin. Please forward to the Review Board, within 60 days, all financial records held by the Internal Revenue Service on Lee Harvey Oswald (SSN: 433-54-3937), to include all income tax returns and W-2 forms on file, as well as any internal correspondence and memoranda, and any correspondence with outside agencies concerning Lee Harvey Oswald and his employment and tax history.

Additionally, please identify, for the four federal tax identification numbers listed below, both the name of the employer to whom the I. D. number was issued, and the month and year in which each federal tax I. D. number was issued:

72-0444599

72-0456152

72-0464241

74-0783080

Finally, attached are 2 letters written by the I.R.S. office in Memphis, Tennessee in response to public inquiries, in which the opinion was expressed that 2 of the 4 numbers listed above were created in 1964. The Review Board is interested in knowing whether those conclusions can be conclusively verified by your agency as accurate.
