Need very good, clean copy of Autopsy

Protocol, Handwritten draft, and Humes'

Notes

from phone call with Dr. Perry

Next Item: Record Number 179-30002-10345 (no agency file number on my RIF); this is the 11/01/66 "Military Review" inventory of autopsy materials, which is 6 pages in length. If possible, we need a copy showing the actual signatures on the last page. (NNFJ FILES BOX 1)

Last Item: Agency File Number: 62-109090-405 (This is a six-page item dated 12/17/64, and the RIF indicates it is 2 copies of a Sibert-O'Neill Affidavit.

Thanks, in advance, for your efforts.
