Re: Declassification Review of 3 Additional Documents Under the JFK Act

---

Dear Ms. Gumaer:

Enclosed you will find three additional records for review under the JFK Act (copy enclosed).

We appreciate very much your assistance in expediting the declassification review, and the timely return to us, of the document package we submitted to you in July.

Our goal is to receive these documents back from the Air Force, if possible, no later than 20 August, in time for the last vote the Review Board will make on records issues prior to shut-down of our agency. Thank you for your cooperation, on such short notice.

The enclosed records are:

- (1) CIA # 104-10110-10270, Classified SECRET;
- (2) CIA # 104-10110-10268, Classified SECRET;
- (3) INSCOM # 194-10013-10444 (OSI Report), Classified SECRET.

Sincerely,

D. P. Horne  
Chief Analyst for Military Records
