Dear Mr. Spokony:

Thank you again for your assistance in this matter. Per your request I am enclosing copies of the 1st and last page from what I believe to be a draft of the JUDGEMENT AND DECREE. I am also enclosing some explanatory material about the Review Board for familiarity; I hope this will be helpful.

Any record or information you find which might explain why this case was "sealed" is of interest to us as well. Please let me know if I can answer any questions or concerns and I look forward to hearing from you again soon.

Sincerely,

David R. Montague  
Senior Investigator
