re: **Potential Employment...**
date: April 21, 2017
pages: **Two (2), including this cover sheet.**

Dear Ms. Ruby-Smith:

It was a pleasure to speak with Mr. Albert Chrisp today and based on that discussion, I am enclosing my resume for consideration. Mr. Chrisp explained some of the work which USIS is involved and it sounds interesting. I have several years of experience in the investigative/criminal justice field and firmly believe in using my "people skills" whenever appropriate. As I explained to Mr. Chrisp, I will be starting a graduate school program this August/September and a possibly more flexible work schedule is appealing.

After reviewing my information, I would appreciate the opportunity to have an interview concerning employment possibilities within USIS. Thank you for your time in this matter and I look forward to hearing from you soon.

Sincerely,

David R. Montague

Enclosure
