Dear Rose:

As we discussed, here is a copy of the letter sent to Commander Buchholz and some explanatory material about our authority to review assassination-related records. As I mentioned to the Commander, any effort to assist us in completing our mandate would be greatly appreciated. Brian Rosen of our office has been communicating with the Commander and perhaps there was some administrative error with my letter to her. As you requested, I will send you a separate fax concerning the other materials I would like to review at your office; please let me know if an April visit will be convenient.

On behalf of the Review Board, thank you again for assisting our efforts and I look forward to hearing from you later this week. Please feel free to call me at ext. 258 if any questions or problems arise.

Sincerely,

David R. Montague
Senior Investigator
