re: Assistance for ARRB Representative Laura Denk on Official Government Business;
ARRB Issue #8

date: April 24, 2017

pages **One (2), including this cover sheet.**

Dear Chief Jackson:

It was a pleasure to speak with you over the telephone. I am enclosing a letter from our Executive Director which should provide additional information to all relevant parties. I am writing to formally request any assistance you may provide regarding material being carried by our representative named Laura Denk. As we discussed, Ms. Denk will not be carrying any weapons and is a credentialed federal official.

The material consists of audio recordings from the 1960s and is in an oversized package. Your offer to provide a V.I.P. Police Escort through the airport to hopefully avoid any delays or security challenges as well as help handle this bulky material is greatly appreciated. Ms. Denk's flight information is as follows:

ARRB Senior Analyst Ms. Laura Denk, Esq.
US Air Flight # 2194; Departing today at 3:50 p.m. CST

On behalf of the Review Board, thank you in advance for your assistance and I will call back regarding our final arrangement and my discussion with US Air Carrier Security. Please feel free to call me at ext. 258 if any questions or problems arise.

Sincerely,

David R. Montague
