pages One (1), including this cover sheet.

Dear Mr. Siebert:

I certainly appreciate all of the tremendous efforts your group has made re: our search for records. Based on our conversation, **I request any information you have on John T. Stringer from 1963 to the present within his file.** Your agreeing to send this material via overnight mail to us will be very useful re: an important deposition scheduled for tomorrow.

Once again, thank you for all of your assistance in providing records to the Review Board and I'll be in the office all day to answer any questions you may have.

Sincerely,

David R. Montague
