

## MEMORANDUM

February 15, 1996

To: David G. Marwell, Executive Director

From: Dennis J. Quinn, Designated Agency Ethics Officer

Subject: Informal Advisory Opinion Concerning Your Service as Book Review  
Editor For the Journal of United States Holocaust Memorial Council

This is in response to your question regarding the ethical implications of your serving as the Book Review Editor of the journal *Holocaust and Genocide Studies* for the United States Holocaust Memorial Council. As you have explained it to me, your compensation for this service will be limited to reimbursement of reasonable expenses not to exceed \$960 per fiscal year.

Having reviewed the applicable ethical statutes and regulations, and consulted with our desk officer at the Office of Government Ethics, I conclude there is no law that prohibits you from serving in this capacity.

I remind you that all work associated with this project should be done on your own time and without the use of Government property.
