date: April 13, 2017
pages: 2, including cover sheet.

As you know, we will hold an informal Board Working Session on June 6th and a formal Board Meeting on the 7th to review postponed assassination records. All of the records to be reviewed (approximately 50 CIA Mexico City documents, and a smaller number of FBI records) will be available for individual review on the 6th. The staff will also be available to answer questions and provide clarifications. Chet Rhodes will also be here in the afternoon to provide computer training. We hope that the 6th will provide an opportunity for you to get to know the staff better.

Looking forward to seeing you.
