Jock:

The attached cable is winding its way through the Department for clearance. It was suggested to me that I might fax you an advanced copy since there is some time pressure.

I will be in Berlin for a meeting of the Experts Commission for the Allied Museum on October 14 and 15. As outlined in the cable, I would like to meet with someone from the Gauck Organization to discuss the possibility that they might have some records of interest to the Assassination Records Review Board.

I hope that something can be worked out and look forward, in any case, to having a chance to chat with you.

Please let me know as soon as possible if something can be arranged.

See you soon.

From the desk of...
