Dear Mr. Middleton:

Thank you very much for allowing the Assassination Records Review Board to meet with you and your staff on Thursday, November 17, 1994.

In addition to any issues that you may wish to raise, the Board would like to address the following:

1. Overview of the JFK Assassination review process followed by the LBJ Library.
2. The Library's view as to how the term "assassination record" should be defined.
3. Discussion of postponement and referral issues from the Library's point of view, including examples of postponed and referred information and categories.

We look forward to meeting you on Thursday. Please contact me or David Marwell, the Board's Executive Director, if there is any matter that we should discuss prior to Thursday.

Sincerely,

John R. Tunheim
Chair
