Ms. Joyce Larkin

Dear Joyce:

Many thanks for meeting with me last Friday. I found your comments reassuring and was impressed with your positive “can do” attitude.

As I mentioned, my Board will be in town on February 13 and 14 and would very much appreciate the opportunity of meeting with Congressman Stokes. Please let me know whether such a meeting would be possible.

I look forward to hearing from you after you have had a chance to speak with the Congressman.

Again, Joyce, thank you.

Sincerely,

David G. Marwell
Executive Director
