**Name of Contact:** "Getta" GSA Dallas

**Date:** October 5, 1994

**Time:** 12 Noon

**Summary of Call:** I called GSA in search of a venue for our November Hearings. Getta informed me that the conference room at the Earle Cabell Federal Building, 1100 Commerce Street, Room 7A1, Dallas TX 75242-0785 was available only on November 18. I reserved it tentatively for the entire day. Getta said an alternative would be the Center for Community Cooperation (214-821-0911). I said I would get back to her by October 12.

*Action Items: Speak with Jack and the Board about the date. Do we want to do the Dallas hearing on the 18th and visit Austin on the 17th?*

**Name of Contact:** Marc Fisher - Washington Post - 334-6000

**Date:** October 5, 1994

**Time:** 15:37

**Summary of Call:** Called Marc to get his advice on who would be interested at the Post in our activities. Marc said that George Lardner was the JFK guy. He said that unless there was a hard news angle, the Style Section would probably cover it, and that would mean him or another guy. He said he would pass the news about the hearing on to Al Kamen of the *Federal Page*. He seemed intrigued about our operation, and I think he will probably do something.

*Action Items: Follow up on Kamen.*
