RE: Church Committee document regarding an alleged assassination plot originating at Guantanamo Naval Base-Box 28, Folder 2
FILE NO.: 4.0.1.4 Church Committee Report

A memorandum for the record on January 15, 1976 from a Church Committee staffer named Andy Postal deals with records from ONI regarding an alleged assassination plot that originated at the Guantanamo Naval Base in the summer of 1961. The memo discusses a file on a John Gordon and said this file contained information relating to an assassination plot. According to Postal, "Gordon related that they had been training a Cuban C/R for an assassination plot, to be directed against a high Cuban official, probably Che."
