RE: Church Committee documents - Box 28, Folder 2 -A chronology of the President's activities  
FILE NO.: 4.0.1.4 Church Committee Report

The attached document is a log of when meetings with a myriad of government officials, including those of President Kennedy, took place. The log also lists when memos were sent from one government official to another. Certain names are redacted as you can see. The pages attached have the name of someone Harvey spoke with about Executive Action on 1/26/61 redacted as well as the name of a CIA official who attended an August 28, 1961 meeting with President Kennedy. If you wish I can copy off the rest of the log at NARA.
