RE: Church Committee documents Box 37, Folder 1 Interview of Shef Edwards by David Belin on 4/9/75

The tone of the questioning was very friendly as can be seen from the remarks of Mr. Belin to Colonel Edwards before the questioning began at his home on 4/9/75. What I found interesting about the transcript is that while he tells Belin of a plan to try and assassinate Castro, he denies, on the last page, ever hearing the phrase "executive action capability" as well as not knowing of any attempted plans to assassinate people besides, as Belin put it, "the Castro target."
