

Memorandum

TO: Jeremy Gunn
FROM: Eric Scheinkopf
RE: Special Group meeting of 1/12/61
FILE NO.: 4.21.5 (Church records at NARA)

There was little of interest in this memo. The one point worth noting was the outline of a proposal to establish a task force made up of individuals from State, CIA, DoD and the Joint Staff to draw up contingency plans to cover the possible eventual use of overt United States forces.
