

## MEMORANDUM

May 28, 1997

To: Douglas Horne

From: Eric Scheinkopf

Subject: Withdrawal Sheet for Classified Document in the Papers of Maxwell Taylor

As you requested, I examined the document in RG 218, Taylor Box 2, entitled "Q & A on President's Geneva Statement," dated January 20, 1964, which was flagged as a possible assassination record by personnel on the Joint Staff. It is a 73 page document that is currently classified at the Secret level.

This document addresses nuclear weapons issues and in no way can be considered an assassination related document.
