Dear Mr. Levy:

Thank you for your letter of March 16, 1995.

I am sorry that I was not able to write sooner, but we had placed your file among those candidates who were being considered for the position of investigator. Unfortunately, our chief investigator, who will be examining those files, has not yet started.

After receiving your letter, I again reviewed your file. Although we very much appreciate your application, I regret that we will not be able to offer you a position.

We wish you the best of luck.

Sincerely yours,

David G. Marwell
Executive Director
