Dear Mr. Montague:

As the Assassination Records Review Board's Chief Investigator I am seeking candidates for potential investigative positions with the Review Board. After reviewing the materials you submitted to the Review Board some time ago I'm hoping you may still be available and interested in interviewing for an investigative position.

Please call me at (202) 724-0088, ext. 229 in order to set up an appointment. I look forward to speaking with you soon. Thank you again for your interest in the ARRB.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
