

Dear Dr. :

On behalf of the Assassination Records Review Board, I would like to take this opportunity to thank you for your September 26, 1995 letter and the inventory you provided regarding the medical and forensic records connected with the assassination of President John F. Kennedy. We realize a lot of time and effort went into compiling this information and it is greatly appreciated. The list which you have provided will be carefully reviewed, evaluated, and appropriately handled.

Again, thank you for your time and effort in addressing these important issues, and for your continued interest in the work of the Review Board.

Sincerely,

Thomas E. Samoluk, Esq.
Associate Director for Communications
