Dear Mr. Wallace:

This is in response to your letter of August 26, 1995 to Mr. John Tunheim, Chair of the Review Board. Mr. Tunheim has asked me to respond to you.

I have enclosed a Record Information Form for a letter from the House Select Committee on Assassinations (HSCA) collection in which Chief Counsel Robert Blakey explains the damage to the negatives to Mr. Dillard. In addition, I have enclosed an excerpt from "Pictures of the Pain" by Richard B. Trask in which he discusses the damage to the Dillard negatives. The page with the relevant footnote is also enclosed. As you will see, the damage to the Dillard negatives was well-documented by the HSCA.

Thank you for writing to the Review Board. I hope this information is of assistance to you.

Sincerely,

Thomas E. Samoluk, Esq.
Associate Director for Communications
