

MEMORANDUM FOR RECORD

Jan 25 1995

SUBJECT: Meeting with LTC DeJesus, from Special Operations and Low Intensity Conflict

*Discussed points of contact inside the Pentagon and NSA. He will investigate possibilities and get back with me later. Advised by David Marwell and Jeremy Gunn to wait until Board and key staff have met with Secretary of Defense and liaisons before contacting agency/services on Assassination Records. Meeting keeps me in contact with Defense personnel which will be contacted once the briefing takes place.*
