re: 1964 IG Report
date: May 12, 2017
pages: 13, including this cover sheet.

Attached is a copy of the excerpts from IG report. The Board did not agree with all the postponements and wants more open. I have indicated the redactions they will except, blacking out the postponements. I have also written NBR next to the paragraphs we agreed not to release.

Please note that page 16 has reappeared in this version. It contains information previously released plus a reference to Oswald. The Board wants the relevant sections released. I made it consistent with previous releases of same info.

If there is any way you could get this turned around today, we would appreciate it.
