Dear Ms. Goodpasture:

Thank you for returning the corrections to your depositions. I apologize that page 76 was missing from the copy we initially mailed to you. Enclosed please find pp. 75-77 so that you can review the missing page in its context. Please note any corrections on the page itself and return to Steve Tilley at the National Archives and Records Administration (NARA) in the stamped, pre-addressed envelope. When the Review Board closes on September 30, Steve Tilley will be handling any unfinished business.

Thank you once again for your cooperation.

Sincerely,

Irene F. Marr
