

## MEMORANDUM

May 12, 2017

BY CERTIFIED MAIL

To: Stephanie Fawcett, Senior Foreign Policy Archivist, JFK Library

From: Irene Marr, Senior Analyst, ARRB

Subject: Returning Items

Enclosed please find a copy of one document from the Richard Goodwin papers bearing the original CIA declassification stamp. (This document apparently missed the CIA the first time around.) I am also returning the JFK Library data diskettes containing RIFs. Please ensure that any changes to the database, and copies of the disks are sent to Steve Tilley.

Once again, thank you for your assistance.
