**RE: Transmittal of Ford Diary Papers**

Dear Ms. Holzhausen:

Enclosed please find copies of sections of President Ford's diary. Copies were sent to Mr. Steve Tilley at NARA as was part of the arrangement that had previously been made.

We appreciate the assistance you and the Ford Library Staff have given us in completing our work. I also thank you personally for all of the cooperation and understanding you have extended to me while I have been working with the Ford Collection.

Sincerely,

Jessica L. DiFrisco
