

MEMORANDUM

By Facsimile

January 18, 1996

From: Joe Freeman, ARRB

To: Dorothy Anderson, FAA

Subject: House Select Committee on Assassinations (HSCA) record 0014904 (D)

Thank you for your call yesterday. Per our discussion, I am faxing 20 pages of HSCA File Number 0014904 (D), Record Number 180-10117-10177, to you. These are the only FAA-generated pages in the 87-page file. The rest of the file consists of attached documents generated by other entities (extracts of New Orleans Police Department, FBI and Bureau of Narcotics files, for instance).

As our letter of December 27 indicated, and as I reiterated yesterday on the phone, the National Archives and Records Administration (NARA) has already released the document with redactions. All the redactions relate to juvenile associates of David Ferrie. The redactions (bracketed in the pages forwarded here) are located on pages 1, 3, 10-16 of the 12/13/63 Robey report.

Our Board will take up the full 87-page record at its January 30th meeting. It would be helpful if I could get some feedback from you by that date.

Thank you very much for all your cooperation. Let me know if there are any problems with the fax.
