

## MEMORANDUM

January 25, 1996

To: Steve Tilley, NARA

From: Joe Freeman, ARRB

Subject: Final Determination Forms for HSCA payroll certification forms  
processed by ARRB at November 1995 Board meeting

As you may recall, our Board processed thirty-two HSCA payroll certification records (from the Howarth Files record series) at its November meeting last year. Unlike the 178 individual payroll files processed by our Board at its October 1995 meeting, redacted versions of the HSCA's payroll certification forms already exist at NARA II. NARA had previously made them available after redacting the Social Security Numbers (SSNs) of employees listed on the forms. Our Board voted to uphold these NARA redactions. Thus, no changes need to be made to the documents themselves as they presently exist at NARA II. Accordingly, I am forwarding the ARRB's Final Determination Notification forms for attachment to the redacted versions of these records.
