Re: Planned Release of Duplicate Records of the House Select Committee on  
Assassination (HSCA) Under the John F. Kennedy Assassination Records  
Collection Act, 44 U.S.C. § 2107

---

Dear Mr. Leahy:

I am attaching six House Select Committee on Assassinations documents from the Numbered Files record series that have been referred to the Immigration and Naturalization Service by the National Archives and Record Administration (NARA) under the JFK Act.

In the course of our ongoing review of HSCA records, we have discovered that NARA previously opened each of these three documents in a separate record series entitled "Letters Sent Regarding Information, Access and Compliance." As part of this record series, these documents are already available to the public at Archives II in College Park, Maryland.

Our Board's intention, therefore, would be to open the attached Numbered Files duplicates of these records at its next meeting on April 16-17, 1996.

Should you have any questions or objections, please feel free to contact Dennis Quinn or Joe Freeman of my staff. Thank you very much for your cooperation.

Sincerely yours,

David G. Marwell  
Executive Director
