Re: DOS Review of House Select Committee on Assassination (HSCA) Documents in in
Accordance with John F. Kennedy Assassination Records Collection Act, 44 U.S.C. §2107

Dear Ms. Noring:

Thank you for visiting our office last week in order to facilitate the processing of Department of State originated records contained in the HSCA collection. I very much appreciate your making a special effort to assist our review of these records.

I have enclosed copies of the three documents you requested be forwarded to you at the Department of State. I understand that these documents pose issues that you wish to discuss with colleagues, and that the Department may decide to recommend postponements to our Board relative to those issues.

Our Board would like to review these documents at its meeting on March 18, 1996. If the Department wishes to present evidence on behalf of proposed postponements in these documents, I would appreciate it if the Department could provide such evidence not later than March 11th.

Should you have any questions, please don't hesitate to contact us. Thank you again for your cooperation.

Sincerely yours,

David G. Marwell
Executive Director
