

## MEMORANDUM

To: Barry Harrelson, CIA

From: Joe Freeman, ARRB

Subject: Attachments to 5/16/96 letter from David Marwell to John Pereira

There are several duplicates or near-duplicates in the batch of 45 records enclosed with the above letter which -- in the hope of saving you at least a little time -- I have listed below. In addition, there are two records (listed last below) which are duplicates or near duplicates of documents you cleared in item four (4) of my 3/20/96 memo which you returned on 4/25/96.
