To: Steve Tilley, NARA
From: Joe Freeman, ARRB
Subject: Document Request

Pursuant to our conversation yesterday afternoon, I'd be grateful if the following records could be pulled. I hope to be out on the noon shuttle, arriving at your office at approximately 12:40. **The first two entries under the "Open" category (see second page) are the highest priority for me to locate and copy.** Thanks a lot; I know this is a big pull.
